The Declarant shall have the unrestricted and sole right and power to alienate, convey, and release the easements reserved under the terms of this paragraph. All such easements, including those designated on the plat, are and shall remain private easements. The ARCHITECTURAL CONTROL COMMITTEE shall be composed of Josh Seppala and Martin H. Seppala, as agents of The Developer. In the event that either of the aforementioned persons is unable to perform his duties on the ARCHITECTURAL CONTROL COMMITTEE, the vacancy on the ARCHITECTURAL CONTROL COMMITTEE shall be filled by such person as is selected by Developer.

The ARCHITECTURAL CONTROL COMMITTEE shall have absolute and exclusive privilege to refuse approval for any building plan, specification, material, design, grading, landscaping, or location of any structure which, in the opinion of the ARCHITECTURAL CONTROL COMMITTEE, is not suitable or desirable for any reason, whether it be aesthetic, that the plan does not comport with the future development plan of the subdivision, or that it does not meet the standard set forth herein. The ARCHITECTURAL CONTROL COMMITTEE shall take into consideration the suitability of the proposed materials, the quality of the proposed workmanship and harmony of the external design with the intended design of the committee or with existing structures. All construction activity must fully comply with all state, local, and federal regulations pertaining to such activity, for example, but not by way of limitation, construction permits, erosion control, environmental restrictions, and grading requirements. This paragraph shall also apply to the common areas.

Prior to commencement of construction of any addition or improvement to an existing dwelling or structure on a lot in the subdivision, the lot owner shall submit to the ARCHITECTURAL CONTROL COMMITTEE the plans and specifications, including elevations and plats, which shall contain and reveal all pertinent information necessary for the committee to act thereon. If the committee requests from the owner additional information, the forty-five days for approval shall be extended by the number days from the date of the committee's request for the additional information and the date that the information is produced by the owner. If the committee's decision is not hand delivered, the date of delivery to the owner shall be the date on which the decision was placed in the US mail, postage paid, and addressed to the owner, or the date of the placing of the decision in an overnight-delivery collection receptacle.

**ARTICLE V
WAIVER OF SETBACK, LOCATION, AND SIZE OF IMPROVEMENTS**

The ARCHITECTURAL CONTROL COMMITTEE is authorized to waive compliance with, approve, or ratify in the construction or alteration of any building or structure upon the real property, or the use or failure to use any of the requirements set forth herein if, in the opinion of all of the members of the ARCHITECTURAL CONTROL COMMITTEE, the same shall be necessary to prevent undue hardship because of special circumstances attendant to the property involved. The waiver, approval, or ratification by the ARCHITECTURAL CONTROL COMMITTEE shall be binding upon all persons, and the powers of waiver herein conferred upon the ARCHITECTURAL CONTROL COMMITTEE shall be construed liberally so as to affect any matters or things included with the terms and conditions of these covenants.

**ARTICLE VI
AMENDMENTS AND MODIFICATION**

The terms, provisions, and restrictions set forth herein may be amended upon the written approval by two-thirds of the number of owners of lots in the subdivision. If an owner owns more than one lot, that particular owner shall cast one vote for each lot owned. Any amendment to the terms, provisions, covenants, or restrictions of this Declaration shall

become effective only upon the recording in the RMC for Greenville County, South Carolina, of an instrument which (a) sets forth the amendment; (b) states that the approval of two thirds of the owners has been given and obtained; and (c) is signed and acknowledged by each owner consenting to the modification or amendment

No lot owner may impose additional covenants, restrictions, or conditions upon any property in the subdivision without prior approval of the ARCHITECTURAL CONTROL COMMITTEE.

**ARTICLE VII
TERM AND ENFORCABILITY**

If any owner shall violate any of these covenants without prior approval obtained in the manner set forth herein, it shall be lawful for any owner of any real property in the subdivision to prosecute any proceeding, at law or in equity, against the offending owner to prevent the owner from continuing the violation or to recover damages for such violation. The invalidation of any one or more of these covenants by an order of a court of proper jurisdiction shall not affect the enforceability of the other provisions herein.

If any of the covenants contained herein are contrary to the requirements, policies, or recommendations of HUD, the VA, or any other recognized institution, agency, public or private, granting or insuring loans, and shall render any lot in the subdivision unacceptable for any such loan, then the Declarant shall have the authority to amend, alter, or annul any covenants as may be necessary to make any of the property acceptable and eligible for such loan.

These covenants shall be deemed to be covenants running with the land and shall remain in full force and effect for a period of twenty-five (25) years from the date of recording of these covenants and restrictions, and these covenants shall be automatically extended for successive periods of ten (10) years unless a written agreement executed by a majority of the then lot owners amending, modifying, or canceling these restrictions is recorded.

**ARTICLE VIII
HOMEOWNERS' ASSOCIATION AND
PROPERTY RIGHTS OF OWNERS**

Every owner shall be a member of the SPRING HAVEN HOMEOWNER'S ASSOCIATION (hereinafter "the Association"), which membership shall be appurtenant to, and shall pass with, the title to every lot, subject to the following provisions:

- a. The right of the Association to charge reasonable fees for the maintenance of the entrance to the subdivision and of the common areas; and
- b. The right of the Association to suspend voting rights of an owner for any period not to exceed 60 (sixty) days for any infraction of its published rules or regulations.

The Association shall be formed when the Developer has sold seventy percent (70%) of the lots within the development. Commencing January 1 of the year following the date on which 70% of the lots have been sold by the Developer, the Association shall begin collection of necessary assessments from each owner. Each owner, by acceptance of a deed for any lot within the subdivision, whether or not it is expressed in the deed thereto, hereby covenants and agrees to pay to the Association (1) annual assessment charges, and (2) special assessment charges for capital improvements, such assessments to be established and collected as herein provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge and a continuing lien on the lot against which each such assessment is made. Each assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of the lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by such successors.

The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents, as well as the esthetics, of the subdivision. The Association shall use the funds accumulated by the annual assessment for maintenance of the common areas, to include, but not be limited to, installation and maintenance of lighting, construction of signs, maintenance of the retention pond, fencing, roads, road signs, and any other component parts of the common areas, and taxes or assessments against the common area.

The amount of the assessments shall be determined by the Association. Assessments are due and payable on June 1 of each year, and the amount of the annual assessment shall be set each year by the Association. The annual assessment shall be prorated according to the days remaining in the calendar year following the date of purchase of the lot.

In addition to the annual assessment, the Association may levy in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement in the subdivision, provided that any such assessment shall have the consent of two-thirds (2/3) of the votes from each class of members of the Association voting in person or by proxy at a meeting duly called by the Association.

Written notice of any meeting called for the purpose of levying a special assessment shall be sent to all members not less than thirty (30) days prior to the date of the meeting of the Association. At the first such meeting called, the presence of the members or of proxies entitled to cast sixty (60%) percent of all of the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called, subject to the same notice requirement, and at the subsequent meeting, a quorum shall be one half (1/2) of the required number for a quorum that was required at the first meeting.

Both annual and special assessments must be fixed at a uniform rate for all lots. Special assessments may be collected on a monthly basis if so designated by the Association. The Association shall fix the amount of the annual assessment against

each lot at least thirty (30) days in advance for each annual assessment period. Written notice of the annual assessment shall be sent to each owner subject thereto. The due date shall be established by the Association.

Any assessment not paid within thirty (30) days after the date on which it is due shall bear interest from the due date at the legal rate assessed against court judgments in Greenville County. The Association may bring legal action against the owner personally obligated to pay the same or may foreclose the lien against the lot. No owner may waive or escape from liability for payment of the assessments by abandonment of his lot.

**ARTICLE IX
GENERAL PROVISIONS**

The owner of each lot shall send written notice to the Association of the conveyance of the lot to owner. Owner shall include in the notice owner's mailing address for receipt by owner of notices from the Association and a current phone number at which owner may be reached. Owner shall be responsible for giving the Association notice of any change in owner's address or phone number, and delivery by the Association of notices to owner at the last address given by owner to the Association shall constitute actual and complete notice to said owner.

Additional residential property may be annexed to the subdivision property. Developer retains the right to use any lot or lots owned by Developer as a street or streets for access to the annexed property so as to make the annexed property a part of this subdivision. All properties annexed to the subdivision shall be subject to these covenants and restrictions and shall be annexed only at the absolute sole discretion of the Developer.
